

CORRESPONDENCE.

Large Notes.

News items are scarce this week. The excursion to Saginaw was well patronized from here last week and we had a loud old time I tell you. The Grangers are not buying grain here yet.

Mr. Somes our shoemaker is going to build a shoe shop here this fall. Our town is growing some.

Charley Farr is getting on nicely with his new house on his farm.

There is to be a large sale here next Monday. Seized property I believe.

More next week. MODOC.

Wales Correspondence.

Respected EXPOSITOR—Your paper comes freighted with good news. The ties and rails are laid on the new railroad that runs from Port Huron to Almont, already to Wales Centre and the construction train is busy every day extending the work.

An ice-cream social was held in the Mt Pleasant chapel on the 20th ult, that netted about \$14. About 100 were present and with music, singing and speaking all enjoyed a pleasant time.

The M. P. church at Mt Pleasant have organized a choir with W. E. Chute as chorister and Ella M. Lawlor as organist, in both Sunday school and church services. A good large library is ordered for the Sunday school.

Plenty of good new cider at the Centre for \$5 per barrel.

As ever, STEEL PEN.

PILES.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, as flatulency, uneasiness of the stomach, etc. A moisture like perspiration, producing a very disagreeable itching, particularly at night after getting warm in bed, is a very common attendant. Internal, External and Itching piles yield at once to the application of Dr. Bosanko's pile remedy, which acts directly upon the parts affected, absorbing the Tumors, allaying the intense itching, and affecting a permanent cure where all other remedies have failed. Do not delay until the drain on the system produces permanent disability, but try it and be cured. Price, 50 cents. Ask your druggist for it and when you receive it, be sure it is the genuine article, and pay, on receipt of price.

Re-Registration of Voters.

The laws of the State of Michigan provide for a new registration of voters, previous to the general election in 1882, and every ten years thereafter. We give below a portion of the law which refers to the new registration and which is a part of Section 18 of the registration law, and may be found on page 125 of the Compiled Law of 1881. That part which provides for the new registration reads as follows:

Provided, That at the sessions of the several boards of registration next preceding the general election to be held in this state in the year one thousand eight hundred and eighty-two and at said sessions next preceding the general election every ten years thereafter, there shall be had and made an entirely new registration of the qualified electors of each organized township and city in this State, excepting in the county of Wayne, and except in those cities where provision is made by existing law for a new registration oftener than every ten years, the same to be made in the manner hereinbefore specified for registration of qualified electors in townships after the year eighteen hundred and fifty-nine. After the making of each of the said new registrations no other shall be used in any manner at any election or township meeting, but the same shall be reviewed and corrected from time to time as hereinbefore provided. Upon the making of each new registration hereunder, the former registers shall be securely sealed up and filed with the township clerks respectively, and shall not again be opened except upon the order of the court of competent jurisdiction, the legislature, or a duly authorized committee of one or both of the houses thereof. Notice shall be given by the several township clerks of the time and place of each of said registrations by posting written or printed notices thereof in six of the most public places in each township at least twenty days before the session of the board at which the same is to occur.

I wish to announce to the citizens of Brockway Centre and vicinity, that after a grand consent of all the barbers in the Wolverine state, I do proclaim and make known to all that I, S. B. Hughes, have fitted up a Barber Shop in the nearest manner available, where I will be at all times, ready to give them a complete cutting reception and completely divest their physiognomy of nature's unseemly production. Now witness my razor and the great real of my razors and scissors in the year of Bess Beard 1882.

My shop is neat,
My towels are clean,
My scissors are sharp,
My razors are keen.
